

### Standard Radioligand Binding Assay

Human membrane receptors (commercially available)

No wells	24-47 (pilot studies)	48-71	72-95	96-143	144+
Price per well (EUR)	70.00	59.00	49.00	43.00	38.00

### Standard Cell-Based Radioligand Binding or Uptake Assay

Human/rodent cell line

No wells	24-47 (pilot studies)	48-71	72-95	96-143	144+
Price per well (EUR)	92.00	75.500	65.00	56.00	50.00

### Custom Radiolabeling

Custom radiolabelled proteins or peptides, human cell line

First custom labelling (EUR)	2400.00
Each additional labelling (EUR)	1600.00

### Autoradiography

Rat / mouse organ

No slides	9-11	12-17	18-29	30-59	60+
Price per slide (EUR)	330.00	310.00	265.00	225.00	151.00

Prices are per assay stage and are intended as a guide only. Non-standard or customized services may incur additional costs.
