

### Standard Radioligand Binding Assay

Human membrane receptors (commercially available)

No wells	24-47 (pilot studies)	48-71	72-95	96-143	144+
Price per well (GBP)	63.00	53.00	44.00	38.00	34.00

### Standard Cell-Based Radioligand Binding or Uptake Assay

Human/rodent cell line

No wells	24-47 (pilot studies)	48-71	72-95	96-143	144+
Price per well (GBP)	83.00	67.00	58.00	50.00	44.50

### Custom Radiolabeling

Custom radiolabelled proteins or peptides, human cell line

First custom labelling (GBP)	2150.00
Each additional labelling (GBP)	1400.00

### Autoradiography

Rat / mouse organ

No slides	9-11	12-17	18-29	30-59	60+
Price per slide (GBP)	290.00	270.00	230.00	200.00	150.00

Prices are per assay stage and are intended as a guide only. Non-standard or customized services may incur additional costs.
