

Standard Radioligand Binding Assay

Human membrane receptors (commercially available)

No wells	24-47 (pilot studies)	48-71	72-95	96-143	144+
Price per well (USD)	79.00	69.00	55.50	49.00	43.00

Standard Cell-Based Radioligand Binding or Uptake Assay

Human/rodent cell line

No wells	24-47 (pilot studies)	48-71	72-95	96-143	144+
Price per well (USD)	104.00	85.00	74.00	63.50	57.00

Custom Radiolabeling

Custom radiolabelled proteins or peptides, human cell line

First custom labelling (USD)	2720.00
Each additional labelling (USD)	1812.00

Autoradiography

Rat / mouse organ

No slides	9-11	12-17	18-29	30-59	60+
Price per slide (USD)	382.00	360.00	307.00	261.00	197.00

Prices are per assay stage and are intended as a guide only. Non-standard or customized services may incur additional costs.
