

## USD Price Guide RBA Standard Assays

1<sup>st</sup> Feb 2019

### Standard Radioligand Binding Assay

Human membrane receptors (commercially available)

No Wells	24 - 47 (Pilot Studies)	48 - 71	72 - 95	96 - 143	144+
Price Per Well (USD)	80.00	67.00	56.00	49.00	43.00

### Standard Cell-Based Radioligand Binding or Uptake Assay

Human/rodent cell line

No Wells	24 - 47 (Pilot Studies)	48 - 71	72 - 95	96 - 143	144+
Price Per Well (USD)	105.00	85.50	74.00	64.00	57.00

### Custom Radiolabeling

Custom radiolabelled proteins or peptides, human cell line

First Custom Labelling (USD)	2736.00
Each Additional Labelling (USD)	1824.00

### Autoradiography

Rat/mouse organ

No Slides	9 - 11	12 - 17	18 - 29	30 - 59	60+
Price Per Slide (USD)	382.00	360.00	308.00	260.00	198.00

Prices are per assay stage and are intended as a guide only.  
Non-standard or customized services may incur additional costs.
